The Premises:

The premises were well lit and clean. I managed to get parked on the street nearby. Her place was very clean inside and she had a nice shower.

The Lady:

Bia is a pretty 22 year old girl from Eastern Europe. I think its fair to say that Bia is top heavy and has a very decent body too. She has long blonde hair. The photos on the agency site are pretty accurate.

The Story:

I requested a nurse's outfit from Bia and she didn't let me down. She came out in her tight uniform and I was instantly rock hard. Her short skirt rode up her thighs and she played the part very well.

Before long, I had her bent over with my cock up her pussy. We tried a number of different positions and, believe me, Bia will try just about anything. The cowgirl position was a particular favourite. After some hard ramming, we did a 69 which was great as she has a lovely pussy. It wasn't long before I shot my load into her face. I had a nice shower before I left.
