The Story:

This was my 2nd punt of the day also my 2nd vist with Heidi

Got into the room jumped in the shower again just thinking about what's to come was really turning me on

My cock was hard from the outset a little more sensitive but I've gotten used to that

She entered the room we greeted she recalls seeing me

Asked if I wanted a massage and in all fairness I do enjoy a good rub down but I just really wanted to get my cock wet

Kicked things of with her tits in my face

She kisses lightly not full on tongues but it's ok her blowjob game is definitely strong nice and sensual

Sex was good with her on top, missionary and doggy on the bed and standing she has the sexiest moans.....really short men will struggle fucking her doggy (best way to describe it is a jack Russel trying to bone a Doberman..... I saw video on social media I thought of her)

Anyway when it was time to release all my babies I thought her tits would be a good place pull out and wank until exploded over her

Job done clean up quick shower

Got dressed watched her get dressed bending over pulling her knickers up those long legs was

making me horny again
