### The Premises:

This was an out call, but I have been several times at Amanda's place in Paddington area. I like her room, which is fairly large and with a good quality bed. Private shower room. Clean and tidy. She shares the flat with Lena. It's a nice building and location overall.

### The Lady:

Amanda is a very cute girl like photos show. Polish blonde. No tattoos or piercings. All natural. 1,63 m tall. 27 y.o. Very good hostess at her flat and usually treats plenty of drinks.

### The Story:

I've seen Amanda 7 times on 2-3 hours dates. She is such a sweet and friendly lady also very lustful in sex. I consider Amanda to be a champion escort based on her friendly relaxed manners and her outstanding skills. I have never felt so relaxed when meeting an escort first time as when I first met Amanda. She is probably one of the most experienced and highest recommended escorts. Her skills are amazing – she doesn't have to push her act in exaggerated ways since her techniques are so perfected. I love her movements and her oral skills are above everyone else in my opinion. It's just an amazing experience to feel her calm soft ways that are very intense at the same time – like I said, perfected techniques like I have never seen elsewhere. She enters some type of trans-like state performing – a beautiful thing to experience. I don't think there is any girl who knows her body better than Amanda does. What bliss to explore how intense sensations of pleasure can get and with Amanda I have penetrated deep into the mysteries of pleasure! At the same time I'm so relaxed with her. She is very natural, friendly, fun, and sweet. No other escort has made such deep connection with me – she is clever and takes an interest in you. Also in this way she stands out in my opinion. She is not wild and doesn't do the porn star act. She just excels at generating pleasure in the most charming way. She really is a genuinely lovely girl. That she also is a bit of a nymphomaniac is a big plus.
