The Premises:

The flat above the Post Office. This was a flat used by this agency or it's predecessor when I was last in Milton Keynes over 3 years ago. Still a good safe place with easy parking in the multi storey opposite. The interior decoration has changed but the stairs are still as numerous so use the lift. A good, clean flat but no ensuite in my room.

The Lady:

Ella is now mid to late 20's but looks even better than when she started as an innocent teenager. Her hair is blonder and her face is finer. Her skin looks like Spanish Gold but smells of an English garden on a sunny, spring Sunday morning - cut grass, apple blossom and roast beef. Lovely, large breasts with excited nipples and a magnificent arse make her a joy to stare at in the large mirror as she shows you the reason to pay for casual sex. Ella's photographs are an accurate portrayal and she is just as I remembered her from 2013.

The Story:

I first reported on Ella in January 2011 and then again in March 2013. Each time I was so impressed I intended to make her one of my regulars. It did not happen as both times she disappeared off the rotas the next week! When I made a return to this country and punting after a 3 year gap (living with a girl I first met as a working girl,

meant I had to stop) I looked for possibles and found Ella again.

I booked her for the afternoon as I was suffering from the previous days flight but I still felt shattered when I walked in her flat. Perhaps it was nervousness after a long lay off as I completely recovered during a long, welcome back snog. All clothes were soon removed and I had my cock in her mouth, my tongue in her arse and my fingers on her clit. I could have stayed like that until tea time but the clock was pressurising us. Doggy sex bought me close as I stared at her buttocks and anus but she had other ideas and told me to wait. She spun around, ripped off the condom, stuck all my cock in her mouth and sucked hard. As I started to come she pulled away but only enough to get one hand on my balls and the other on my shaft. With her lips still around the head she squeezed both hands and got every drop of sperm out of me and into her mouth. That was so good.

I told her I was sick of having only first dates with her and I was going to have dates 2 and 3 next

week and I expected a long snogging session on date 2 followed by anal sex on date 3. Definitely she said.

Surprise , surprise it did not happen ! A friend and his wife died in an accident so it was nearly two weeks before I tried to book her. She has left the rotas. I hope she is just having a little break as I do not wish to wait another 4 years before seeing her again.

By the way the relationship with the ex-working girl was fine for over 2 years . She left me because she wanted children ,having hit 30, but I did a Garry and told her I was to old.
