Nice clean apartment, with parking available in the Earl's court area.

The Lady:

Black haired, Russian born beauty with big boobs and a curvy figure. I think she is 22 and around 5ft6-9. Her photos are similar although she wore her hair in a pony tail on my visit.

The Story:

After another business trip in London, I decided to unwind a little and book another escort. I have had quite a few escorts before (as you can see by my review) and decided to choose Claudine from Angels of London as I have had great experiences with them in the past, and fancied an eastern European vibe. I arrived at her apartment and was greeted very warmly. She offered me a glass of champagne and we sat down and had a brief chat. Claudine is a young Russian born woman, with a distinctive sexy look, big boobs, and a curvy figure.

After about half of the drink we moved to the bedroom and she started rubbing my suit pants. After a little while she had stripped off. Her boobs were super nice. She then gave me OWO and she sucked like a pro. Afterwards she invited me to pleasure her so I used my fingers to rub her clit and rub her g-spot at the same time which she loved. We then we began to shag first in missionary. She wasn't shy and was vocal in the bedroom which was a turn on for me, as she said all the right things to turn me on. She then went on top and rode me like a pro with her amazing boobs bouncing around. I loved the way she energetically rode me and then reversed to give me a great view of her figure and shapely bum in cowgirl. She was very spontaneous which made for an unpredictable and sexier atmosphere. I finished with CIM and we showered together before she escorted me out. Claudine was a delightful young lady who makes you feel very comfortable from the start. I would recommend to everyone in the area.
