The Premises:

The place was easy to find and easy to answer the door the flat looked tidy was nice to come inside with the mirrors properly layed out.

The Lady:

her photos were very sexy where you can see here face although when I went in her hair was tied back.

The Story:

She entered the room although I was very shy to begin with for my first time at annabellas. She started off by giving me a blowy which made my cock feel great second of all she let me lick her feet which she had great lookin yummy soles and I enjoyed every minuite of it. I enjoyed the experience with her and I would recommend because shes friendly patient and understating. She offered me a free shower at the end and I said yes.
