The Lady:

Looked better in the flesh i must say. Very cute and as per her picture and description. Slim, looked very tidy in a figure hugging dress, her arse definately one of her strong points, as per her own admission.

The Story:

Extremely easy to deal with and communicate with leading up to the outcall. Time and place arrnaged no problem. She turned up on time and looked better than the pics i had seen, wearing a figure hugging dress. Started with body massage and then lap dance led to hand job, oral without. Very pleasant and good sense of humour, even after we had finished. Very professional and happy to chat and have a bit of a laugh.
