### The Premises:

I have used this Folkestone establishment many times and they regularly move premises.

### The Lady:

Chinese woman in her thirties, not much to look at and a bit plump. Very little English spoken but that's not unusual.

### The Story:

Phoned to check the address and availability and was asked to call again when outside. Arrived to find the flat is up a gated flight of steps with no bell, so called again to say I had arrived to be told someone would let me in.

I assumed that someone would come down the steps and open the door but after a few minutes nothing had happened.

The entrance to the flat is situated between the shops in a roadway and is fully visible from the coffee shop full of people to one side so I moved up the road a little bit so that I was less conspicuous.

Eventually a Chinese woman came walking down the road towards the gate and stopped in front to punch the number code in, I just followed her in and up the stairs, not a word spoken.

She unlocked the front door and showed me into a room where the woman was waiting.

She asked for £50 for 30 minutes with her but I was not willing to pay that much so offered £40, deal done.

I got naked as the woman undressed and I sat her on the bed and put my cock in her mouth holding her head and mouth fucking her, not many let you do that.

I pushed her flat on the bed and got to work on her pussy which was clean and partially shaved.

I put the condom on and lifted her legs high then pushed in hard talking filth as I fucked her. I shot my load and stayed inside til I was soft. A fun fuck.

Cleaned up and left the room. the other woman was in the kitchen down the hall so I described what I'd done as she let me out which was fun also.

Down the steps and into the view of the coffee shop customers again.

Functional fuck, different woman, £40.

I enjoyed it.
