### The Premises:

Large shared flat, ten minutes walk from Edgware Road station. Good-sized bedroom, and a nice clean efficient bathroom, of which more about later.

### The Lady:

Elsa is a pretty Thai woman in her mid-twenties, with a lovely natural figure. The photos on the website are accurate, and without being clichéd she is actually prettier on the flesh.

### The Story:

Elsa is every bit as good as previous reviews have stated. It was a lovely start to the session, with a glass of red wine and a shared bubble bath to set the mood. Plenty of mutual kissing and oral in the bath, then into the bedroom to take things to the next level. More mutual oral and rimming, finally into some thoroughly enjoyable and energetic sex. As a finale some more wine and a relaxing massage was provided. Will I visit again? - definitely!
