The Premises:

Jennifer works from a very nice apartment close to the station with a car park close by. The play room had a nice large bed, a sofa and useful mirrors. The lighting is unusual. but it worked very well, and it was bright enough that you could see the fun you were having. The bath/shower worked well and there was a good supply of toiletries and fresh towels. I'm guessing you could have a shared bath, but I haven't tried this yet.

The Lady:

Jennifer appears a lot like her pictures. Those with curly hair are closest to her current look. Jennifer is a throw back to the better days of the Thai scene, she is fun and focused on you having a good time. Her body is in great shape and she uses it, her imagination and boundless energy to ensure your time is fun and it's money well spent.

The Story:

This was my second visit to Jennifer, the first having been the previous day, obviously I'd had a good time. Jennifer opened the door dressed in a "barely there" lacy thing and led me to the bedroom. We had a brief chat, did the paperwork and then I went to the bathroom to freshen up. If I wanted to criticise then the pre and post fun showers being a solo affair are the only things I would think can be improved. Once back in the play room it was straight into lots of DFK, touching and general fun. The lacy thing disappeared and she offered an oily massage. Unless you hate oil or playful sexy massages I strongly suggest you go for this. Jennifer knows what she's doing and the experience will put a smile on your face, hair on your chest and a deposit somewhere, this time it was CIM, last time we'd gone for a condom and a great cowgirl. From there we continued for a full on sex-a-go-go with a couple of short pauses for a drink and a moment to catch your breath. Jennifer is not quite at the standard of the really top Thai ladies, still miss Valentina, Zizzi, Cho-ko et al, but she's close and I intend to see she gets plenty of practise to hone her skills to perfection. Go see her, be nice, and treat yourself.
