### The Premises:

A terraced house in a road off Plumstead High Street. Not a discreet entrance, but the road is packed full of houses.

### The Lady:

A petite, dusky skinned girl with pert B cup breasts and a peachy little bum.

### The Story:

An enjoyable, routine punt with very little effort from Sangeera. Mind you I didn't need much foreplay because I was suitably aroused when she undressed. We had sex in missionary position and as it had been over week since I last climaxed I only lasted a couple of minutes.
