The Premises:

the parlor is located in a quiet back street not to far from the rock shopping center in Bury, it was taken over and refurbished to a high quality about a year ago {it was called Wonderlounge before} up to five women can be there every day. it a reception area with drinks provided all the rooms have a shower and are a good size

there is plenty of street parking close by and it as about a 15 minute walk from the bus and tram interchange

The Lady:

i have known Cheryl for a few years she is 5-5 in height blond with E cup breasts and she is from Scandinavia her profile pictures are very accurate, beware Cheryl has very engaging personality and has very good way of getting on with her clients and for the unprepared will surprise you she really does fill your time in her company well

The Story:

i had booked Cheryl for an hour and i had bought your usual drinks on the way to the parlor, i was Buzzed in and i was greeted immediately by Cheryl while i was at the reception. i was then taken to our room all the time talking to her, i had a shower and i waited for Cheryl. she then waltzes in to the room and the fun starts, as always we start by catching up on what we have been doing and news, then the fun begins and we start with oral both ways then she climbs on top and lots of action follows

later more talking and fun and the end of a another fun filled hour, if get on with Cheryl you will get a lot more out of your time together
