The Premises:

A lived-in flat in a new tower block next to East Croydon railway station. Very easy to access. Clean, safe and comfortable with a decent shower available. Excellent views over the railway station for any train spotters who use PunterNet.

The Lady:

Dolly is Indian, in her 30s and gorgeous. She looks 10 years younger than her age, is around 5'4", size 10, is fully shaven and has lovey C cup breasts. Dolly speaks excellent English and is very friendly. She does have quite a few tattoos and, in true Indian tradition, a pierced nose. She also has a conspicuous caesarian cut across her stomach. Dolly advertises herself on Viva Street and works alongside a Malaysian girl who I didn't meet when I visited. Dolly told me that she has just arrived in England and is here for six months.

The Story:

It had been ages since I had seen an Indian girl and when I saw Dolly's profile on Viva Street I knew I had to pay her a visit.

When I called there was no reply but she texted me her address around 15 minutes later. Following my arrival she texted me her flat number and let me in. I have to admit that I did struggle to find Dolly's block of flats as I have a rather dated A to Z of London and the block that she works out of is very new.

Once the paperwork was completed for a 30 minute visit we both undressed and I gave her back a good massage. After that she rolled over and I caressed her breasts and clit which she seemed to enjoy. I went down her for several minutes before she returned the favour by giving me a good covered BJ. We then had sex in missionary followed by doggy followed by more missionary at which point I came. After that I put the modern shower to good use to freshen up before heading home.

There was lots of mutual caressing throughout and kisses on the lips but no DFK. Nor does Dolly do cowgirl which was a little disappointing. That said, the time I spent with Dolly was very enjoyable and satisfying and we chatted for quite a while afterwards. There was absolutely no rush or clock-watching and my visit lasted around 45 minutes in total.

If you like Indian girls, Dolly is well worth seeking out. I shall certainly visit her again soon.
