The Story:

Been going to Ego on and off for ages and every now and again you find a girl that presses all the right buttons. Not found anyone since Josie graced the establishment, but I have now. I don't usually worry about the reviews as one mans meat is another mans gravy, but Rachael is lovely. We didn't stop talking from start to finish, which is what I like. As for the massage, plenty of ball fondling which is the best, and a proper firm massage too. Not rushed at all and plenty of time for a shower before and after the massage. Told her that I had completed a massage course so I wonder if she would let my hands wander all over her? A lovely happy ending but wished I had touched her a bit more as she is gorgeous!! See you soon Rachael
