The Premises:

Shared flat in modern block. Two other girls (one hideous crone and one reasonable redhead). Uncomfortable lumpy futon style bed.

The Lady:

Most unusually for Vivastreet, the photos are accurate. Quite good looking olive skinned dark haired allegedly Spanish girl in her mid 20s. Medium height and build with B cup breasts.

The Story:

Surprisingly good punt. Lissa showed enthusiasm beyond the call of duty and was generally pleasant and friendly. All standard services included and performed to high standard (except, oddly, reverse oral out of bounds).

A pleasant experience though I shan't repeat as Enfield Town is the back end of beyond, and then some.
