The Premises:

The same flat as on my last visit to Annabella's Escorts, up towards the theatre district in a quiet location.

The Lady:

Elizabeth is a tall girl with a perfect tanned body, and pretty face. She is from Eastern Europe. Speaks good English.

The Story:

I arrived at the flat and was shown to the room. I started to undress, then Elizabeth came in.

I finished undressing, and she quickly stripped naked apart from her shoes which she kept on. It is always good when a girl is naked from the start. I went over to her and touched her - not too much at first as my hands were a little cold I think.

She gave me some bouncy kisses on the lips...kissing, then moving her head back a few inches before advancing and kissing again several times. Then she asked me what I would like to do. I said that I would like oral on her, then on me, and sex.

She laid on the bed, and I went down and started to lick her pussy. I continued for several minutes, playing with her boobs with my hands at the same time. I think she really enjoyed this : there were moans of pleasure and she gripped my body from time to time.

Next oral on me - she asked if I would like oral with or without - I said without if that is alright with you. This was done quite slowly, just the way I like it.

Then I suggested putting on the condom for sex. She asked me how I would like it. I said "you on top". Starting slowly, then just increasing the pace a little - cowgirl with her facing me. She moved around a little - just a slightly different angle, then suddenly it felt REALLY LOVELY and I had fantastic sex until she made me cum. I thanked her.

I loved touching her naked body - all the naughty parts, and seeing her perfect medium-sized boobs!

Actually it was Elizabeth herself who helped me to make the decision to see her. I saw her friend Tina two weeks ago and Elizabeth liked a tweet I sent to Tina and followed me on Twitter.

I certainly made a great decision to see Elizabeth and had a wonderful time with her. I was feeling really happy and sexy on my way home.

Thank you so much Elizabeth. I hope to see you again soon...I am really looking forward to it! xx
