The Premises:

Well known and always friendly welcome from receptionist (plus nude lady bouncing through reception today), also always clean environment and working showers in every room.

The Lady:

Very pretty lady who looks younger than her given age and has a lovely body including very nice enhanced boobs that hold the attention but shouldn't mean you ignore a trim figure, a taut bum, a naughty smile and a quick wit.

The Story:

We were at ease with each other almost before I had got hard at the sight of Cherry's lovely face and barely covered figure and she reacted with a beaming cum cheeky smile.

From then on, with Cherry's excellent English, we were able to chat, joke, tease and readily understand what each other wanted from our time together.

We kissed, we fondled, we let hands roam and started with Cherry in reverse cowgirl before she turned round for doggie.

The feeling was great, my hands enjoyed her breasts and bum and Cherry was happy to play a full part in ensuring I had a lovely time with a naturally sexy lady.

Cherry has an inclusive list of potential services and naturally she will exercise her right to indulge in them at her discretion with any particular punter but for me the feeling was very much of a can-do, positive and sexy young lady.
