The Premises:

Elegant, well appointed flat 5th floor on Bishopsgate near Liverpool St Station. Separate living area with generous corner sofa (where all the action took place). I did not see the bedroom but was told it was soft with candles. Clean shower, fresh towels.

The Lady:

As per her website pictures. Very pretty face and mouth (no DFK unfortunately), soft blonde hair. Soft, heavy, natural breasts with a natural droop - could not be otherwise. Warm, rounded figure, lovely thighs. A real woman. Dressed exactly as requested: silk slip and French knickers (a particular fetish of mine), heels and hold-ups.

The Story:

I'm in my 70s so fast action was not on the cards - in fact it was all oral/reverse plus a truly lovely tit f*** with oil, where those lovely breasts were held together and provided a superb pseudo-pussy. Her oral technique is excellent and I had to restrain myself from coming. The reverse was delicious. She has a sweet tasting pussy and seemed to like alternate soft/hard/slow/fast attention to her clit/pussy - I love doing this. I am quite sure that I got nowhere near enjoying the full range of her services.

All-in-all a lovely gentle, sensuous, silky GFE.

Highly recommended.
