The Premises:

The building is just off a private and free car park and is very clean, professional and everyone is welcoming and friendly.

The Lady:

Poppy is a genuinely gorgeous, petite blonde girl who has beautiful eyes and a stunning body. She's slim but with a gorgeous bum and the most amazing boobs - when I first saw her undress, all I could say to her was "wow!" Her photos do not do her justice! She was very easy to talk to and instantly made me feel comfortable.

The Story:

After a quick shower, Poppy laid me on my front and began to give me an incredible massage of my back and legs. She alternated between a nice strong massage and gently using her fingers to stroke me, which felt great. The regular reaches to stroke in between my legs were a welcome sign of things to come too! Poppy climbed on top of me and the body to body massage was out of this world. Her stunning body felt amazing on me and, with cheeky blowing in my ear, I couldn't wait to turn over. When I did, I really got to enjoy Poppy - her amazing body and cheeky smile! I won't spoil too much of the surprise of what happened after this but the body to body was sensual, building up to a finish I won't forget in a hurry! Some friendly and natural chat after was nice too. The time with Poppy was over too quickly and left me just wondering how soon I could come back to see her again!
