The Premises:

The Lady:

Keira was bang on time, and when i answered the door she came in pretty bright and bubbly gave me a kiss and introduced herself. I could tell from the moment she arrived she was going to be a fun girl. She was pretty bubbly and seemed to be up for it. It was pretty early in the night so maybe i was her first of the night and she wasn't tired out!

Looks wise she was beautiful with a fresh young looking face, one of those types that doesn't really need a lot of make up. Body wise she was dressed nicely and her dress was pretty tight which showed off her very slim body and small but what looked like amazing breasts. It left my in complete wonder at what was to come.

we chatted for a bit and then she asked if i wanted a massage, which i normally have as i really like them.

The Story:

After i eagerly agreed to the massage Keira smiled and leaned in for a kiss, i couldn't help grabbing her by the waist and pulling her in to which she responded and we ended up having a full on snog for a few minutes full on tongue action! great kiss!

she began unbuttoning my shirt whilst we were kissing but i think i was too close and it wasn't easy. she smiled and eventually pushed me away a bit and got me undressed. I took her to the bed and laid face down as she undressed, obviously i watched that though.

the massage itself was good, she is quite slight and doesn't get fully into the knots but for her size it was really good and she does get stuck into it for sure.

when she did my front it inevitably led onto her massaging my cock and then all hell let loose. its hard to lie there when a hot girl is playing with your cock, she gave me a great blowy, she was very

skilled in that department let me tell you. then she rode me and also switched to reverse cowboy before letting me fuck her, slowly then hard before cumming on her chest. Speaking of her chest she had i think a B cup which suits me great, it wouldn't do for those of you that love big chests though so if your a big tit man then she probably is not right for you. But if i was you make an exception for this sweet hot girl.
