The Premises:

Nice basement flat off Edgware road.

Clean and newer than most of the flats in this area.

The Lady:

Pretty much as seen on web sites. Curvy, beautiful girl with nicely enhanced tits.

The Story:

She met me wearing black lacy thing and a kiss. I like kisses, so this went on for a while. We agreed I would take a shower, but then she bent over to do something presenting her beautiful arse to my face. I spread her cheeks and rimmed her until she said no need for shower and returned the favour with ball licking.

Had to ask her to stop as I can only manage 1 pop these days.

Rubbed up and fucked cowgirl for a while, then back to ball licking and vibrator in my arse while wanking me until cum. James Taylor singing handy man all the time. You have to know the words! Elsa also speaks good English and is funny.
