### The Premises:

Sarah is located in a nice street and neighbourhood. I got parked alright and the premises were really nice and comfortable inside.

### The Lady:

Sarah is a pretty blonde who comes from Hungary. Very nice body although her knockers are a bit on the big side. On the whole the photos are fairly accurate - what you see is largely what you get.

### The Story:

Sarah is quite warm and friendly but gets down to business without ado. She had my kit off pretty quickly and gave me a good nude massage. After the rub down she gave me a very decent blow job. I was particularly stiff on the evening so it wasn't long before I had my cock in her pussy. I found it a bit fast and loose though and luckily she offered A-level, so before long I had my cock up her arse. God she made a noise about it. Still I came damn hard in her willing mouth at the end of it.
