The Premises:

A 5th floor flat on Marylebone High Road. There is a lift with a concierge desk right next to it but the desk wasn't manned. A nice enough flat but it has issues. The heating seems to be broken so is always on, the ceiling fan in the room I was in broke long ago according to Lucia and the shower is broken so you basically have to sit in the bath and use the shower hose. On the plus size the room has a nice big comfy bed and a big screen TV on the wall for atmospheric music during the booking.

The Lady:

Well now, Lucia has been on a diet for a while now. She was once a size 14 but is now a size 8. I never saw her before so can only comment on how she is now. Very slim now and tanned all over. Tattoos on her arms that have been airbrushed from her new photos. Obviously with the weight loss her boobs have lost their definition but they're still nice and natural. She has a perfectly smooth pussy but by far her best feature is her face. I was completely blown away by how stunningly good looking she is.

The Story:

As has been said many times before the action starts as soon as the front door is shut with some full on DFK that went on for a good 2 minutes, my hands were roaming all over her body. Then she pulls away and says with a smile "shall we go into the bedroom?" Oh yes please, lead the way!

After the gift is given and the shower taken what followed was the most amazing 40 minutes of sex I've had with an escort to date. Some might call it PSE but I prefer to see it as a very raunchy GFE. The sort of girlfriend any man would love to have. I'll keep the specific details to myself but after the first session there was a lot of fun chat and laughter before she started on me again for an even better second session.

Lucia is an amazing woman with a voracious sexual appetite which is just as well as I have a very high sex drive too. But she's also incredibly sweet, funny and very talkative. She has beautiful eyes that are always fixed on you throughout the action. To me she is the perfect escort and I intend to see her many times in the future and the bookings will be longer!
