The Premises:

Sasha has a very elegant ground floor flat in an exclusive area with extensive private parking immediately adjacent. The area is surrounded by open woodland with no nosy neighbours

The Lady:

A very elegant, attractive and vivacious mature lady with gorgeous legs and ample bosom. A warm welcome awaits and a welcoming kiss and avid conversation.

The Story:

Sasha assists with your undressing whilst permitting you to remove her bra. Once on the massage table you are tenderly oiled then caressed intimately both to your back and then after being asked to turn over, to your more sensitive regions.

You then transfer to her bed where after more touching, just to get you to maximum hardness, she indulges in exquisite deep throat such as I have never experienced before. It is difficult to keep control so as not to miss the ultimate happy ending.

Finally more kissing and conversation before leaving.

It really is an exciting encounter and one which I intend to repeat.
