Details of Service Provider:

The Premises:

Tina has a nice terrace end terrace house with a warm and pleasant massage parlour at first floor. A stair carpet would be nice but I suppose you can't have everything. There is plenty of safe parking which is very close. The house is not overlooked.

The Lady:

The lady is not tall with blond hair and blue eyes. Possibly a size 12/14, about 45 ample bosom and particularly shapely legs.

The Story:

Tina will greet you partly clothed, naked if you so wish or dressed however you wish if you let her know beforehand.

She has interesting tattoos on her leg and torso of which she is very proud and invites you to examine (in detail). You may also start by massaging her and indulge in a little oral sex if you wish. Tina then gets you on the table to gently caress every part with an experienced and erotic touch using plenty of oil of whatever type you choose. She plays quiet and interest background music to set the tone.

The happy ending is undertaken with both hands, gently at first to extend the experience until an amazing climax ensues.

Tina does not offer a full sexual service but what she provides is no less of a pleasure.

I will certainly visit again.
