The Premises:

A terraced house at the beginning of a road opposite a garage. It wasn't discreet, but not many people were around.

The Lady:

Not as slim as the girl photo'd, but she did have lovely ample breasts, bra size 36B. Curiously, there was another girl when I came out that looked similar to the AW girl profiled so maybe they switched?

The Story:

I enjoyed the session because Selena was very friendly. I helped her out of her red bra and gave her breasts a good suck and squeeze. There was no oral covered or uncovered but she stroked me while putting on a condom. We had sex in doggy position and I thrust away while feeling really relaxed and I succumbed to a very satisfying climax.
