The Premises:

Great and easy location, simple to find. Very Clean and well maintained. Very discreet and easy to manage if you nervous.

The Lady:

Emma is a lovely person and was a pleasure to spend time with and I am very much looking forward to my follow up visit. Great selection of spanking implements and outfits.

The Story:

I arrived promptly and on time where we both had a quick chat on what we will be doing together along with expectations etc. I started with putting Emma across my knee and I gave her a good spanking following by bending her of the bed for some paddling.

After some very tasty oral and bum play we swapped roles where Emma put me across her knee and spanked me with her hand, rule and slipper.

We then moved to some more serious implements with me bending over the bed and Emma thrashing me and with some tickle time.

Overall we done lots of Oral, bum play and spanking activities.

Emma is a fabulous person and a pleasure to be with, you will not be disappointed!
