The Lady:

When she came out, I didn't think it was her as her body shape wasn't what I expected as described on the site or one of the reviews. Granted, she's a pretty girl and has a nice body, but I was expecting a tall long legged blonde bombshell, but she isn't as per the image she apparently looked like in one of her reviews. Maybe my expectations were too high....

The Story:

Came into the room with me and pleasant enough but quite matter of fact. Started with the offer of a massage which I accepted and was okay, then asked if I wanted oral, which was the poorest experience I've had in a parlour. Nice tits though as she stuck them in my face then on with the condom. Started with missionary which was quite nice, although she wasn't into kissing. The onto doggy to finish.

Overall a very average experience and will not be going back for seconds. Just my take, you may enjoy her more.
