The Premises:

Basement flat in Victoria, about 5 mins walk from the station. Discrete and clean.

The Lady:

Stunningly attractive Oriental girl. The blurred photos on the website mask her best feature - her very sexy smile.

The Story:

Well it's taken me a long time to get my act together and submit a review. It's been nearly 4 months now and I still remember it all like it was yesterday.
After considering seeing an escort for a while, I finally went for it. Apple could see how nervous I was, and she very quickly put me at ease. I had a fantastic time with her. I'm not going to go into detail on exactly what we did - her services are listed on the website. All I'll say is that she delivered amazingly.
