The Lady:

Laura is quite a voluptuous lady with her big hair and shapely bum. She has pretty good English and there were no issues with understanding each other.

The Story:

I enjoyed my time with Laura, who was new to me though I knew her working partner from previous meets.

Laura was a little quiet at first but as soon as she could see I was not trying to take advantage of her, she relaxed and we had an increasingly sexy and shared time together.

While Laura said she doesn't kiss on lips, she was active in making the rest of her body available to me and that was fun to explore.

I gave her oral that she vocally approved of and enjoyed exploring the rest of her body.

We then moved on to sex and Laura was vocal in her responses and happy to change positions.

A very enjoyable first meeting with Laura.
