The Premises:

Very clean, comfortable, well maintained premises with plenty of all day free & 2hr free parking adjacent.

The Lady:

Striking, Raven haired, leggy goddess with full breasts topped with walnut nipples & derriere that begs to be spanked or in this setting lightly stroked. Sun tanned and sensual with a sexy accent and gorgeous come to bed eyes.

The Story:

My first time with Jess and what a time I had. Started with an excellent massage varying in strength but hitting all the right tension points with light brushing of my bum, balls and cock throughout. When Jess climbed on the couch and started rubbing those tits against me I almost came there and then. Turned over and it got even better as Jess paid much more attention to my dangly bits using plenty of oil and an extraordinary technique in bringing me to the point of climax several times. Climbed on board again and had plenty of opportunities to fondle Jess's bum and breasts and had those magnificent breasts gave me a sensational tit wank. More oil applied and a slow, sensual build up to an explosive climax. Quite sensational & an experience to be repeated soon.
