The Premises:

Block of flats 1 min walk from Maryland Station (near Stratford, London). It's not the main door of the huge block of flats, but the one just one from that

The Lady:

Petite, small breasts, lovely, lovely behind. The pics on the other side are accurate.

The Story:

She came to meet me at the door. Nice clean apartment. But my what a sensual lady. She loves kissing from butterfly kisses to full-on snogs. Lovely behind, small but suckable tits. I get the impression she likes to undress you. No rush also.
