The Lady:

A Brit unmistakably when she speaks but could pass for a Bollywood starlet or a character from the Arabian Nights in appearance, petite in height and physique, small breasts, fully shaved. Twitter photos provide a good impression of what to expect.

The Story:

"A sure hit" the blurb says on her profile. Yes my crystal ball can confirm this. "A petite sassy pocket rocket that can not wait to make you cum" it goes on to say. I can vouch that this is also true.

Joanna gave the impression of being pleased to see me when she first entered the room and looked even more pleased when I asked for a gfe. A nanosecond later we were passionately dfk'ing. She certainly came across as being very enthusiastic and this is how most of our time together was spent. The rest is a blur - a real rollercoaster ride of a punt where the focus is about exhilaration - but I can recall having intercourse in cowgirl and missionary culminating in owo cim to finish.

Joanna's in the in call providers premier league for sure.
