The Premises:

10 minutes max from Wallington Station. Got to a nearby location then Monica guided me in - easy to find.

Small terrace house, safe area. Asked to take off shoes before going up. Clean and comfortable enough.

Had a shower after. Shower was clean but basic. Monica supplied clean towel.

The Lady:

Romanian girl but speaks good English. I'd guess mid-30s. About 5 foot 6 without heels. Dark hair in a bob. I'd say a size 12 dress, with small natural tits. Matched photos well but slightly larger and older than she says (but then everyone's size 10 and in their 20s!!)

The Story:

Monica works as Monared. This was a first visit. Asked her to dress in secretary gear, which she did (sexy fancy dress type).

We talked first about what I wanted and I added in £20 for anal. She lists all her extras and the prices, so no hassle and no haggling. Then we kissed, moved on to the bed and stripped off pretty quickly.

I went down on her which she seemed to enjoy but didn't come. Then she went down on me - same effect because I didn't want to come yet. After a bit more play, I got her in doggy and went for it - not anal this time or I'd have come too quick.

Afterwards she gave me wet wipes to clean myself up and we had a chat. Friendly girl, happy to talk about how she started in this game and webcamming.

For round 2 there was a lot more oral to help me get stiff then on with condom and full anal with her kneeling in front of me on the bed.

Bit of recovery time, then into the shower and out the door.
