The Premises:

Her place is within 5 minute walk from Paddington Station and is quite easy to locate. The flat is modern and clean and Lena's room is spacious enough, where she has a sofa and a bed.

The Lady:

Lena is a lovely girl with beautiful blonde hair. Descriptions at the agent's website is more or less accurate. She seems to have gained a bit of weight but anyway she is beautiful and sexy.

The Story:

It was my fifth or sixth visit to her, so I had known her very well by then. She is always so nice to me and that is why I keep visiting her. On this particular day, she seemed to have been quite busy and when she opened the door, she was naked, but usually she is wearing a sexy dress or underwear to welcome you. She led me to her room and offered a glass of white wine and we chatted for some time over wine. Then she asked me whether I wanted to take a shower before the session, so I took a shower. When I came back to her room, we started to kiss each other. Her kiss is always so passionate and good. As we were kissing each other, she started to touch my dick in a quite sexy way and that turned me on. I also started to touch her clit. She shortly got quite wet so I tried finger fucking, which she liked a lot and she came two or three times in a row! Then she returned a favour by her really great blowjob. She started it first slowly and it gradually got faster and harder. Her blowjob was as good as ever and soon I finished in her mouth. She kept my dick in her mouth until she squeezed the very last drop. After a break over some more wine, we started the second round. She gave some blowjob again and made my dick hard again and then she condomed me with her mouth and we started to enjoy sex in the doggy style first and then in some other positions, eventually I finished in the missionary position. She liked the whole session and just after we finished she said that that was the kind of sex she needed and she even said (jocularly) "I love you" to me! So it was a really nice GFE as I felt as if she was my real girlfriend (and actually I started to love her!) So I will definitely go back to her in the near future to have some more good time!
