The Lady:

Attractive mid 20s with all over tan. About 5'5" medium build, B cup, nice arse! The online photos are a bit misleading as they make her look like she is not having a very good day and she looks a bit shy and innocent! She is not.

The Story:

Very confident young lady who came bouncing into the room and after a quick kiss, changed the radio station over and turned up the volume and was singing along while giving me a lapdance. She made me feel like i was 25 again as she looks you deep in the eyes like a girl looks at her crush and will do almost anything to please him.

Every now and then i meet a girl punting at Milton Keynes that i get the impression they are in this line of work not only for the money but to satisfy themselves as they are a nympho. The names Pixie, Ruby, Missy and Kitty spring to mind and i can now add Bonnie to that list.

Good shag and a very nice proper blow job but just as important a joy to be with, went over the half hour after the deed was done just laughing and chatting.

Top of the list favorite, will be back for more soon.
