The Premises:

The Lady:

Blonde busty young woman around 5ft4 to 5ft8 and 22 years of age. She sounded eastern European but not sure which country.

The Story:

After finishing a Business meeting late from my weekly trip to London I decided to book a Hotel rather than catching a train back home for the weekend. I was feeling a bit tense and frisky so decided to call an escort to my hotel room and I decided to go for Crystal.

Crystal was a nice girl with big perky boobs and a nice figure. When I arrived she greeted me with a hug and a BFK. After a brief conversation, she started to strip while teasing my dick from beneath my jeans. The OWO afterward was good and then we proceeded to have sex first doggy then missionary which allowed me to get a better view of the main attraction (Her Boobs). She then rode me pretty good and she let me finish on her big boobs. Overall the sex was okay but not exceptional, I felt she was there just to get paid rather than feeling she actually wanted to be there.
