The Premises:

Clean, modern and spacious apartment near liverpool street station. Highly accessible by public transport. I have previously visited another lady at the same apartment but never got 'the tour'.

The Lady:

Kate is an attractive english lady with a great a figure. Pictures on the website are fully accurate. She is quite tall though, and with my penchant for high heels (her not me), she was well over 6ft on greeting me.

The Story:

Usual formalities before a chat and a drink in the living room. She is very engaging and colloquial and the time flew by we almost forgot to transition to the bedroom.....

Sultry striptease then on with the fun. Fantastic body. Great sex in multiple positions, climatic orgasm and whispering pillow talk before adieu. What is not to like!

Very personal and engaging lady. A more sophisticated experience. Definitely one for the connoisseurs.
