The Premises:

Mildly scruffy flat on the very noisy Holland Park Road a short walk from Shepherd's Bush tube. Technically in Holland Park but more Shepherds Bush in spirit. Adequate shower which is the main thing.

The Lady:

Genuine dark skinned Indian girl from Goa. Medium height and figure in her mid 20s. Tolerably pretty. Bears at least an approximate resemblance to the girl on the website though I wouldn't swear to it on a police identity parade.

The Story:

A good. punt. Reverse oral was verboten but more than made up for by impressively enthusiastic sex. Something of a GFE with a pleasant and responsive girl. I probably won't return because these days it takes a lot to make me go back. But certainly recommended.
