### The Premises:

Elegant basement flat with very large living room with a good sofa plus evidence of paraphernalia from her former life as a dom. A bit up & down with steps but clean, tidy good bathroom but no stand-up shower(?). About 10 mins walk from Bond St tube. Added bonuses: about 50m from a pub if you arrive early and a block away from the Relais de Venise which serves the best "Steak Frites" I have had outside France.

### The Lady:

Tall, elegant, chatty, friendly and a great kisser with lovely soft lips. Enhanced boobs were shapely but a tad on the hard side. Lovely long legs. A nice mover too. Dressed in silk underwear with no suspenders (a pet hate) as requested.

### The Story:

The bedroom looked OK but we never left the sofa! We drank some prosecco I had brought, fortified at her suggestion with a little caramelised vodka (a new one on me) - delicious. I'm 72 so there was no "live action" but lots eye eye contact, smoldering while each rubbed their own, clothed, parts. I find this a very erotic start-up. I left to give the dangly bits a quick wash and when I came back we discarded all underwear and started a lovely long reverse oral on her sweet tasting clit, pussy etc. I think she came but how can we know. Anyway she returned the compliment and very nearly succeeded in making me come, but sadly I had forgotten to take my little yellow miracle pill in the rush to make the appointment. More cuddles kisses and a gentle wind-down. There may well be other services on offer but I did not inquire. A perfect GFE with a lovely lady. I will be back.
