The Lady:

To be honest Coleens pictures did not do her justice, in person she is stunning and has a better figure and tan than the pictures. She has red hair, green eyes, great legs and a awesome pair of knockers.

The Story:

This is the second time I've seen Coleens and this time just seemed so much better

She said to me it's took her some time to get back into working again. This occasion she blew my mind. She started dfk straight away and before I knew it she was sucking my cock like no tomorrows. she deep throatied owo and spat all over it. She seemed to have a trick with her tounge and sounded like she was coming while she was sucking it. I had to stop her as I wanted to share her. She got the condom on then couldnt get on my cock quick enough bounced and I'm ashamed to say I came straight away. She is a very natural and pretty girl with a great body and really good techniques.
