### The Premises:

### The Lady:

Elizabeth is a very hot 26-year-old Colombian lady. She is a 5.5 brunette with a very hot body. The photos are spot on.

### The Story:

I love French kissing just to get me fired up, but as soon as I set my eye on Elizabeth I as rock hard very quickly. She is naturally very sexy and is one of those girls who doesn't need to work to get you in the mood. The OWO was truly amazing and those Colombian lips worked my end like a dream.

When it came down to the fucking, she got on top and slid up and down my cock like a pro. My bell end was absolutely throbbing and I absolutely loved screwing this girl. She had unbelievable stamina and I had the feeling that she could ride me all night long! I screwed her hard in the missionary position giving that tight pussy a great ramming. I gave her a good spooning too and she has the sort of body shape that makes this really hot. I couldn't hold on for much longer after this and blew my load on her ass. I had a really hot time with Elizabeth.
