The Premises:

safe, comfortable, clean. beautiful friendly kind maid from Lithuania - I really fancy her and she knows.

The Lady:

Young mid twenties all Natural body with very very pretty face, perfect boobs, hungry cunt. Vivid image of her dirty facial expression when she was giving me dirty blow job, i get hard on every time jus think of her face. Totally out of the world!

The Story:

Very reluctant write as I want keep Bonnie all to myself.

OMG! Bonnie is a Goddess, healer. amazing deep intimate experience with very sensual beautiful woman. She's very feminine, sexually open, soft, intelligent, sensitive, intuitive, spontaneous like pandra's box, you know full of surprise.

She was lying on her stomach, me banging her from behind like there's no tomorrow, one of my hand playing with her clit. she was gushing like crazy. I think she's really into it.

At last I have met my dream girl. Next time long slow gentle anal sex while i talk dirty - I wonder if she let me...

Thank you very much for our lovely time my beautiful Bonnie you give me big boner.

p.s. Guys, Don't go and see her I beg you - she's seriously addictive.
