The Premises:

Megan is based in Earls Court which is a nice part of London. I took the tube and the station is not far from her place. Inside it was modern and clean - no complaints.

The Lady:

Megan is a sexy girl from Eastern Europe. She is 22 and has a great personality really easy going and talkative. The photos are spot on.

The Story:

What I like about Megan is that she makes you feel welcome. She began with a striptease. I had to control myself because she is unbelievably hot and I was desperate to get on with the main event.

She gives great owo; she takes her time with the licking and sucking to get your cock all fired up. I fancied some missionary sex on the night and Megan was really up for the cup. As I screwed her she made quite a lot of noise. I gave her a good spooning too and that was probably the best position for this girl. I think I told her that I wanted to cum in her mouth but I ended up shooting in her face. I had a great time. Before I left, I took a shower which was modern and clean. I would definitely recommend her.
