The Story:

Message cathy to see if she was available agreed on 2pm. Parked outside and cathy text to say she was ready. Got to the door and cathy opened it wearing very little, a little kiss on doorstep and cathy said to follow her which was a lovely sight watching her thonged arse going upstairs. Got into room and started French kissing her playing with my hard cock through my trousers. I was offered a shower which I took cathy followed me into the bathroom and couldn't keep her hands off me. Quick shower and back into room started with 69 on bed then on with cover and various positions later ending with doggy playing with my balls. We laid on bed for a couple of minutes, cathy asked if I would like a massage which I did. At no time was I asked for paperwork or watching the clock in fact it was 45 minutes.
