### The Premises:

Basic, but spacious, parlour

### The Lady:

Perola is a gorgeous Black girl from Portugal.

Lovely eyes and a great smile, tall and leggy, but muscular and athletic rather than curvy or bubbly.

Lovely skin and great tits - although enhanced (skilfully).

She said she was 25, and that seems about right.

Photos are clearly accurate.

### The Story:

A standard punt, and quite vanilla (or black coffee maybe) rather than sordid.

But just what I needed.

OWO - with great eye contact, and good tongue work and a nice smile. Nice contrast between my pink cock and Perola's dark lips.

Very arousing, especially while caressing her great body and fingering her cunt.... so I just had to fuck her.

I was very aroused, and hadn't had a punt for ages, so I took it gently... very conventional, slow (but deep) fucking. A little bit of doggy (no anal) but mainly just vanilla sex.

And then... I asked Perola if I could come in her mouth, and she said "I'd love it". So... CIM.

Perola lay back on the bed and took my cock in her mouth, sucking and licking and then wanking me off into her open mouth, while smiling and making eye-contact.

So I unloaded a fair load in her open mouth before she giggled and nipped off to clean up.

Not a porno... but a fantastic working girl with a great attitude, a nice body, and genuine enthusiasm for fucking.

Who could ask for more?
