The Premises:

The Lady:

19 year old polish blonde girl with natural looking big boobs. Photos on site are poor quality blurring out the face which is unprofessional imo but I can see why it has been done kinda.

The Story:

Rosie came to my hotel in London and appeared to be relatively shy but at the same mysterious which I quite liked. We had a brief chat then began DFK. Soon after the clothes were off and she was giving OWO which she was pretty good at. Sex afterwards was good but nothing out of the ordinary. Her being 19 was definitely a bit strange at first and she did seem slightly inexperienced but said she absolutely loves her job. Anyway, she was fit for purpose a good shag and did ride me pretty well. Her figure is pretty nice and her personality is refreshing. Overall it was a good experience but there are better out on the market but for £110 I'm not complaining.
