The Premises:

Small but smart and perfectly adequate flat near Earls Court tube.

The Lady:

Broadly as per website pics. Pleasantly attractive slim (dyed) blonde in her mid to late 20s.

The Story:

Perfectly pleasant punt with a perfectly pleasant girl who speaks reasonable English.

As for details: Went in...Exchanged pleasantries...Handed over the "gift"....Got undressed.....Kissed.....Performed cunnilingus.....Had intercourse.....Ejaculated.....Said thank you.....Left.

Doubtless Sartre would say that punting just covers up the existential pointlessness of my existence. Mind you, he's dead so who cares?
