### The Premises:

This place is found on St james street and is easy to find. There are a steep flight of stairs to get to the top.

### The Lady:

The lady in question was probably in her late 30's or early 40's. She was thai with short dark hair. She was not in particularly good shape, saggy boobs and stomach. She seemed pleasant enough till half an hour into the session.

### The Story:

Well where do i start. Had to wait 10 minutes before she came in ( i didnt have a choice of ladies ). Seemed pleasant at the start a reasonable massage but not great! Asked for full sex and paid £80 and £40 at the entrance when came in. After a back and leg massage she asked me to turn over and gave me a front body massage. She then cleaned my genitals and put a condom on and started to ride me. I told her to slow down a bit as i was getting too excited and we carried on slower. I did cum a bit but not fully as i do cum alot and she got off me and said i had cum already. I said i hadnt and could she wank me off to finish before getting in the jacuzzi. She said i would have to pay again to which i replied you must be joking! After all she had only been on top for a few minutes and i was still hard even though i had some cum in the condom. After that we argued, i said thats not right to pay again and got in the jacuzzi where we argued again as i wasnt happy with the service i got. This was only 35 minutes into the session. She got the lady at the desk as i wanted a part refund or see another girl for the remaining time but she refused both requests. I thought get out of here and put it down to a bad experience! I will never go there again and i suggest any punter be careful as it seems they make there own rules up. Definitely 0 out of 10 for customer rapport and should be avoided at all cost!
