The Premises:

The apartment is a studio in a large apartment complex about a 10min walk from Sloan Square station. She just moved in the day before, so everything is pretty new. The place is small, as soon as walking, you are in the room with a queen size bed. There is just enough space to walk around the bed. Then a small kitchen and a bathroom.

The Lady:

Fiona is quite chubby, with an average face. She is from a small town in Romania and 22yrs old. Came to UK 1.5yrs ago with a friend who is also in the same business.

The Story:

Before calling the Abby69 agency, I read multiple reviews on punter net, all described how great she was. Unfortunately, my experience was completely the opposite.

As soon I arrived, she was "warm-enough" in greeting me. Asked for money upfront, then I took a quick shower. She started with a few kisses on my chest, and moved to a covered BJ pretty soon. After a few minutes of BJ, she was ready for sex. We tried a few positions, but she told me "no" a few times when I wanted to move her into some positions, this was a big turn off. After 20 minutes or so, I completed. Then we chatted for a few more minutes, with about 30 minutes left, I asked her to do it again, she flatly told me it was just 1 shot, which was very surprising. She started to text on the phone and buy stuff for the apartment. I rubbed her breasts for a few more minutes, then left.

The entire experience was poor. 150 for 30 minutes of poor sex was terrible. It was my first time using Abby69, definitely avoid Fiona and Abby69. BTW, she did offer a-level for another 100 quid, which I didn't take.
